PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 21st October in the Village Hall.

Vacancy for a Parish Councillor

There is now a vacancy on the Parish Council due to the resignation of Neel Matine. The Council would like to thank Neel for all his hard work as a member of the Parish council and of several committees and wishes him well in the future. Anyone who is interested in becoming a member of the Parish Council should please contact the Deputy Clerk, Christine Avery (tel: C.H. 81233) for further information.

Future Maintenance Arrangements for Dry Drayton and Childerley Brooks

The Parish Council was very pleased to welcome Messrs. Hart and Backshall of the Anglian Water Authority, who explained the past and present situation concerning responsibility for and maintenance of the open water courses in Bar Hill. The legal procedure for the adoption of the brooks by the Anglian Water Authority has almost been completed, and from now on the Authority will be responsible for them. Mr. Backshall asked in particular for co-operation from villagers on two points. The first of these is that debris should not be put into the brooks as the pile-up of rubbish against the culverts could easily cause these to become blocked and result in serious flooding. He also asked that in the event of any blockage or exceptionally heavy rainfall with which the brooks could not cope, residents should notify the Anglian Water Authority by telephoning Ely 2958. A team of workmen would then be sent out as soon as possible to deal with the problem.

Sale of Freeholds

The Clerk was very pleased to announce that the freeholds of properties in Pheasant Rise had now been transferred to the Parish Council and that he hoped to make these available to residents in December. Those residents who have already made payment to the Parish Council for the purchase of their freehold need take no further action, as these will now automatically be processed by the Land Registry.

Proposed Extensions to the Village Hall

It was decided that discussion of the Social Club's plans for the extension of their premises in the Village Hall should be deferred until the next meeting. It was agreed that in the meantime the Village Hall Management Committee should assess the proposed requirements and discuss the matter fully with other users of the Hall, in particular the Playgroup. The Management Committee will present a report including the views of these other users to the next meeting of the Parish Council together with its own recommendations in order that a decision may be made.

The next meeting of the Parish Council will be held on Tuesday 18th November 1980 at 7.30p.m. in the Committee Room, Bar Hill Village Hall.

MAMA

The Meet- a -Mum group is meeting twice in November:- on Friday 7th and Friday 21st at 2.30p.m. in the Health Centre. At the second of these, Miss Collins the Health Visitor, will be giving a short talk on Childhood ailments including advice on when to call the doctor.

A few people seem to be under the impression that the Mama group is exclusively for depressed Mums. This is not at all the case; we do help people with post-natal depression and other problems but our main function is to enable Mums with young children, and also those new to the village, to meet other Mums and get to know people.

So please don't feel that you need to be depressed before you come to a meeting!

Autumn! Lawns littered with leaves, carpets casually cluttered with carefully collected conkers! Turn outside rubbish into indoor games and pastimes. Conkers bored with holes make beads for threading. Other fruits form attractive pin animals or pictures pressed on a card spread with adhesive. Even toddlers can stick dried leaves to outlines drawn on newspaper and make a tree, bonfire or leafy multi-coloured monster.

A bitter cold dark evening outside encourages a longer tea-time inside. Many seasonable festivals suggest ideas for brightening up children's meals. For Halloween serve a boiled egg topped with a cone-shaped witch's hat and a fresh apple with a cut-out face. The table on Guy Fawke's Day can have a miniature bonfire of heaped sausages, a gingerbread guy and iced biscuits representing Catherine Wheels. On St. Andrew's Day make a fishing boat with a half jacket potato heaped with mince, decorated with a mast and flag followed by shortbread.

Traditionally St. Nicholas fills children's shoes with sweets for December 6th. Perhaps this is a good opportunity to introduce the story of Father Christmas. Advent calendars have the first door opened on 1st. December. Shops show many attractive picture calendars, but why not make one with and for the children? An unusual idea is to fill 24 yoghurt pots with surprizes; sweets, shells or small toys. Place them pyramid fashion on a shelf and open one a day until Christmas.

Christmas shopping with tiresome toddlers in tow can be exhausting, so why not wait until November 29th to buy decorations, small gifts and stocking fillers. This year the Youth Club and Playgroup are holding a combined Christmas Fayre in the School. Father Christmas with gifts will be present, there will be Punch and Judy shows, teas, tombola, raffles and many stalls selling low cost articles. The Playgroup is making a donation to the NSPCC from their share of the proceeds.

Many thanks to everyone who visited and supported Playgroup's Children's Corner at the Village Fete - especially the helpers and families who manned the stalls. The judges had a difficult time judging the Fancy Dress costumes which were all very attractive. Much thought, hard work and ingenuity had gone into all of them - though the toddlers always seem to steal the show!

Bar Hill Playgroup's Fun Factory is now in production every Wednesday evening from 8.00pm - 10.00pm in the Village Hall. The aim is to make low cost decorations, cards, toys and gifts for the Christmas Fayre. We would welcome any help or ideas Many materials have been collected, ideas are abundant but now we need practical help. The stress will be on simplicity so if you have time join us for a cup of coffee and lend a hand, it would be much appreciated.

We look forward to seeing you at 2.00pm on Saturday 29th November at the Christmas Fayre in Bar Hill School.

BAR HILL SCOUT GROUP

Friday Night Cub Scouts

Half term seems to be a good time to look both back and froward having regard to our activities. The boys have been able to get away twice this summer, once staying near Rutland Water and then again in September joining in with a District Cub Camp at Little Abington. Both these events could not have taken place if it were not for the efforts of all those who helped to transport the boys and equipment and then helped us to set up the camps. From both of us and all of the Cubs, a BIG THANK-YOU!!

Plans for the coming half term include a parents evening on Friday 5th December and may we suggest that all mums and dads make a note of that date now please as we would like to see as many of you as possible on that evening and it will give the Cubs a big thrill if you can come.

At the present time we have thirty-two Cubs turning up on a Friday evening and must now, with regret, shut the door for the timebeing at least. We have neither the leaders or space to cope with any further boys and regret that it will not be until after Christmas that we will be able to welcome new faces. We would advise however that if your son is getting near that magic age of eight and wants to come along on a Friday evening, that you contact one of us NOW to put his name on our waiting list.

AND NOW FOR THE COMMERCIAL BREAK - "WANTED, MOST URGENT, ANYONE OVER THE AGE OF SIXTEEN WHO WOULD LIKE TO SPEND SOME TIME EACH WEEK TO HELP US TO PROVIDE GOOD SCOUTING FOR THE YOUNGER BOYS OF THIS VILLAGE. NO QUALIFICATIONS REQUIRED JUST AN INTEREST IN YOUTH WORK, A COUPLE OF HOURS TO SPARE ON A FRIDAY EVENING AND A SENSE OF FUN, ADVENTURE AND HUMOUR. INTERESTED? GOOD! PLEASE CONTACT EITHER OF US FOR MORE DETAILS."

Bar Hill Cubs and Scouts Group Executive Committee

The A.G.M. will be held on Thursday 27th November at 8.00pm at the School.

This Committee, which consists of leaders and parents, is responsible for the fund raising activities of the Group. The Cubs and Scouts are faced with ever increasing costs - the Capitation fee has gone up considerably this year - and money is needed for replacement and repair of all the equipment necessary for scouting activities. Without such fund raising it would be necessary to raise the subscriptions even more than has recently proved inevitable.

We need more parents who are willing to serve on this committee and help with our activities. Please help - your sons will benefit.

If you require any further information, have any items for inclusion in the Agenda, or are willing to serve on the

Jumble Sale

We will be holding a Jumble, Second Hand Toy and House Plant Sale in aid of Group Funds on Saturday 29th November at the Church Centre.

We would be grateful for any Jumble, re-saleable Toys and Games plus any house plants that have outgrown their welcome.

House to house collections will commence during the week beginning Monday 24th November.

Leaders

Congratulations to David Hart, Paul Watson and Forbes Grant who were presented with their Assistant Scout Leader Warrants recently. We now have to say goodbye, finally, to Roy Evans who is retiring at the end of half term and thank him for his continued assistance while David Hart gradually assumed control of the Troop.

Our best wishes also go to Wendy Hedley who not content with helping at the Aquarius Pack on a Wednesday has now decided to "go it alone" and start her own personal "pack". Congratulations Wendy, our best wishes to you for the happy event.

Newmarket Skills Day

The 1st. Bar Hill Aquarius Pack attended a skills day based on the Bronze, Silver and Gold Arrow work on Saturday 20th September 1980. The event was held at Newmarket and six boys took part on behalf of the Pack.

The day was olympic orientated and, as well as having a most enjoyable afternoon, we brought home 2 gold and 2 bronze "medals"
